## GRANDIFLORA ROSES

"The New **GRANDIFLORA CLASS** consists of varieties relatively tall in growth, free flowering, often with many flowers in clusters but with individual stems long enough for cutting. The flower size, tho not necessarily as large as hybrid teas, is larger than the average Floribunda, with Hybrid Tea Standard for bud and flower form." Carrousel was the first new variety to fit into this new class.

It has been several years since a rose has received this honor. Carrousel with its dark red velvety petalled flowers, produced on long stems, on a tall growing very hardy plant, which resists both cold, hot and mildew. Continuous bloom.			
<b>DEAN COLLINS.</b> Pat. 1279.....	3-4 ft.	Dble.	\$2.00

## TREE ROSES — 10" MINIATURE STANDARDS

These are miniature roses budded on sturdy 10 in. canes and require no staking to support 12 in. head. Each little tree is a perfect bouquet, from early Spring to late Fall. Excellent for use as borders for beds or walk-ways. Very appealing to the pot-plant buyers. The rose grows from eight to twelve inches above the cane, giving that clean appearance from the ground to the head. So easy to groom.

**BABY GOLD STAR.** Pat. 407. The glossy green foliage is a perfect setting for the exquisite yellow buds which are held firmly erect on stems long enough to make striking miniature arrangements or dainty corsages. The enchanting buds unfold slowly to reveal their names, "Baby Gold Stars."

**OAKINGTON RUBY.** The dense fern like foliage adds charm to the deep crimson buds that open to tiny, ruby red flowers. The tiny foliage and constant blooms make this a miniature rose tree out of "Fairyland."

**PIXIE.** Pat. 408. The world's tiniest double white rose. It shows pink shadings in cool weather. Very free bloom. Dainty foliage.

**RED IMP.** Pat. 1032. A lovely red addition to our miniatures; deep, rich crimson that is startling in its brightness. Unfading, solid color. Very double with 45 to 60 petals packed tightly right to the center. Opens very flat.

**SWEET FAIRY.** Pat. 748. Fragrant, dark pink buds; very double, 1 inch blooms of apple-blossom-pink. True rose fragrance, fine, long lasting flowers.
